**Rationale for Proposed Boundary Changes:** No changes are proposed. JO Wilson is slightly over capacity but few age appropriate public school students live in the boundary.

**Proposed Geographic Destination Feeder Schools (Feeder Pathway):** Anyone living in the proposed new boundary for J.O. Wilson ES is zoned for and has a right to attend Stuart-Hobson MS and Eastern HS. Any student attending the school out-of-boundary has the right to continue in the feeder pattern to Stuart-Hobson. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

**Proposed Programmatic Destination School (Feeder Pathway):** No programmatic feeder pattern proposed.
