District Department of Transportation: 116 before 2006			
		T-2.1-A:-New Streetcar or Bus Rapid Transit Lines : Develop transportation and land use plans to construct a network of new premium transit infrastructure, including bus rapid transit (BRT) and streetcar lines to provide travel options, better connect the city, improve surface-level public transportation, and stimulate economic development. As needed, replace existing travel and parking lanes along selected major corridors with new transit services, such as the streetcar, BRT, and DC Circulator, to improve mobility within the city.	 In Process
		T-2.1-C:-Circulator Buses : In addition to the Circulator bus routes planned for Downtown, consider implementing Circulator routes in other areas of the city to connect residents and visitors to commercial centers and tourist attractions and to augment existing transit routes.	 In Process
		T-2.1-H:-Transit Amenities : Seek opportunities to dedicate space in the right-of-way for surface transit amenities, such as bus stops, signage, and shelters. Follow best practices in bus-stop siting (most often on the far side of an intersection) yet evaluate each case on an individual basis. Consider opportunities for enhanced stops and amenities with large-scale developments and redevelopments.	 In Process
		T-2.2-B:-Pedestrian Connections : Work in concert with WMATA to undertake pedestrian capacity and connection improvements at selected transit stations and stops and at major transfer facilities to enhance pedestrian flow, efficiency, and operations.	 In Process
		T-2.2-E:-Bus Connections : Promote cross-town transit services and new transit routes that connect neighborhoods to one another and to transit stations and stops.	 In Process
		T-2.3-A:-Bicycle Facilities : Where feasible, require large new commercial and residential buildings to be designed with features such as secure bicycle parking and lockers, bike racks, shower facilities, and other amenities that accommodate bicycle users.	 Complete
		T-2.3-B:-Bicycle Master Plan : Implement the recommendations of the Bicycle Master Plan.	 In Process
		T-2.4-A:-Pedestrian Signal Timings : Review timing on pedestrian signals to ensure that adequate time is provided for crossing, in particular for locations with a large elderly population.	 In Process
		T-2.4-B:-Sidewalks : Install sidewalks on streets throughout the District to improve pedestrian safety, access, and connectivity. Continue to monitor the sidewalk network for needed improvements. Consult with ANCs and community organizations as plans for sidewalk construction are developed. All sidewalks shall be constructed in conformance with the Americans with Disabilities Act Accessibility Guidelines.	 In Process
		T-2.4-C:-Innovative Technologies for Pedestrian Movement : Explore the use of innovative technology to improve pedestrian movement, such as personal transportation systems, and enhanced sidewalk materials.	 In Process

		T-2.4-D:-Pedestrian Access on Bridges : Ensure that the redesign and/or reconstruction of bridges, particularly those crossing the Anacostia River, includes improved provisions for pedestrians, including wider sidewalks, adequate separation between vehicle traffic and sidewalks, guard rails, pedestrian-scaled lighting, and easy grade transitions.	 In Process
		T-2.5-A:-Maintenance Funds : Provide sufficient funding sources to maintain and repair the District's system of streets and alleys, including its street lights and traffic control systems, bridges, street trees, and other streetscape improvements. PRIORITY	 Cancelled
		T-2.5-B:-Signal Timing Adjustments : Regularly evaluate the need for adjustments to traffic signal timing to minimize unnecessary automobile idling.	 In Process
		T-2.6-A:-Public Improvements : Invest in public improvements, such as curb inclines aimed at increasing pedestrian mobility, particularly for the elderly and people with disabilities.	 In Process
		T-2.6-B:-Shuttle Services : Supplement basic public transit services with shuttle and minibuses to provide service for transit-dependent groups, including the elderly, people with disabilities, school age children, and residents in areas that cannot viably be served by conventional buses.	 In Process
		T-3.1-A:-TDM Strategies : Develop strategies and requirements that reduce rush hour traffic by promoting flextime, carpooling, transit use; encourage the formation of Transportation Management Associations; and undertake other measures that reduce vehicular trips, particularly during peak travel periods. Identify TDM measures and plans as appropriate conditions for large development approval. Transportation Management Plans should identify quantifiable reductions in vehicle trips and commit to measures to achieve those reductions. Encourage the federal and District governments to explore the creation of a staggered workday for particular departments and agencies in an effort to reduce congestion. Assist employers in the District with implementation of TDM programs at their worksites to reduce drive-alone commute trips.	 In Process
		T-3.1-D:-Transit Ridership Programs : Continue to support employer-sponsored transit ridership programs such as the federal Metrocheck program where, pursuant to federal legislation, public and private employers may subsidize employee travel by mass transit each month.	 In Process
		T-3.2-A:-Short-Term Parking : Continue to work with existing private parking facilities to encourage and provide incentives to convert a portion of the spaces now designated for all-day commuter parking to shorter-term parking.	 Complete
		T-3.2-B:-Car-Share Parking : Continue to provide strategically placed and well-defined curbside parking for car-share vehicles, particularly near Metrorail stations, major transit nodes, and major employment destinations, and in medium and high density neighborhoods.	 In Process

		T-4.1-A:-Pennsylvania Avenue Closure : Advocate for the re-opening of Pennsylvania Avenue and E Street in the vicinity of the White House as conditions allow, and pursue federal funding to mitigate the effects of the closure of these streets on District circulation.	 Cancelled
		T-4.1-B:-Coordination with the Federal Government : Continue to work with the federal government to assess the impacts of security measures on the quality of life of District residents and businesses. PRIORITY	 In Process
		UD-1.5-A:-Waterfront Barriers : Continue to explore ways to address freeway and highway barriers along the Anacostia waterfront, including the removal of Water Street along the Southwest waterfront and the narrowing of I-395 at the Anacostia River. The city should also continue to study options for addressing the visual barrier presented by the Whitehurst Freeway and the physical barrier presented by the waterfront CSX rail line.	 In Process
		UD-3.1-B:-Streetscape Improvement Programs : Maintain capital funding to upgrade the visual quality of District streets through programs such as Restore DC (Main Streets), Great Streets, and the DDOT Urban Forestry program.	 In Process
		UD-3.1-C:-DDOT Public Space Permits : Ensure that all public space permits, including but not limited to permits for dumpsters, electric wiring, tree removal, excavation, parking, fences, retaining walls, signs and banners, sidewalk cafés, curb cuts, and special displays, are not inconsistent with the Comprehensive Plan and contribute to the policies laid out above for the use of street space.	 In Process
		UD-3.2-B:-Neighborhood Surveys : Conduct regular surveys of crime “hot spots” to identify where urban design issues such as inadequate lighting and poor circulation may be contributing to high crime rates. Implement measures to address these issues through the redesign of streets and public space.	 In Process
<b>Fire and Emergency Medical Services: 1</b>

		CW-1.1-A:-Downtown Action Agenda Update : Update the 2000 Downtown Action Agenda as a "Center City Action Agenda." The updated agenda should include a five-year list of actions to ensure development of the center city into a dynamic mixed use area. Study area boundaries should extend from Georgetown to Capitol Hill on the west and east and Dupont Circle to Buzzard Point on the north and south, with a particular focus on NoMA and the areas south of I-395. The Action Agenda should include updated land use "targets" to guide future development and marketing strategies. PRIORITY	 Complete
		E-5.1-A:-Green Building Legislation : Adopt and implement legislation establishing green building standards for projects constructed by the District or receiving funding assistance from the District.	 Complete
		ED-2.2-A:-Retail Action Agenda : Prepare and implement a citywide Retail Action Agenda. The Agenda should include an evaluation of the current and projected amount of market-supportable retail, strategies for overcoming retail development barriers, neighborhood-specific evaluations, and recommendations for new retail development and assistance programs.	 Complete
		FNS-2.2-A:-Deanwood Small Area Plan : Prepare a Small Area Plan for the Deanwood neighborhood, including the Metro station area, the Nannie Helen Burroughs and Division Avenue business districts, and the surrounding residential community. PRIORITY	 Complete
		FNS-2.8-B:-Kenilworth Parkside Small Area Plan : Include the Kenilworth Parkside neighborhood in the Small Area Plan to be developed for the Minnesota Benning and Deanwood Metro station areas.	 Complete
		FSS-2.2-A:-St. Elizabeths East Campus Framework Plan. : Complete the Framework Plan for the East Campus of St. Elizabeths Hospital and submit it to the City Council as a Small Area Plan.	 Complete
		H-1.2-A:-Inclusionary Zoning : Adopt an Inclusionary Zoning requirement which would require the inclusion of affordable units for low income households in all new residential developments of 10 units or greater, with accompanying provisions for density bonuses and long-term affordability. Apply this requirement as fairly and uniformly as possible, providing flexibility as necessary for sites where density bonuses cannot feasibly be provided. PRIORITY, ZONING-RELATED	 Complete

		CW-1.1-F:-Residential Development Incentives : Develop incentives for the conversion of lower-performing retail/office buildings into new housing or mixed use development, throughout Central Washington.	 In Process
		CW-2.3-B:-Chinatown Best Practices Study : Conduct a "best practices" study that analyzes what other cities have done to conserve ethnic business districts (particularly central city "Chinatowns"), through land use and urban design decisions, regulatory controls, business development and economic assistance, and tourist promotion.	 Complete
		CW-2.8-A:-Implement the NoMA Vision Plan : Implement the NoMA Vision Plan and Development Strategy, including its recommendations for land use, infrastructure, transportation, environmental improvements, streetscape, open space, identity, and neighborhood quality. PRIORITY	 In Process
		E-3.1-A:-Low Impact Development Criteria : Establish Low Impact Development criteria for new development, including provisions for expanded use of porous pavement and green roofs. Also, explore the expanded use of impervious surface limits in the District's Zoning Regulations to encourage the use of green roofs, porous pavement, and other means of reducing stormwater runoff. ZONING-RELATED	 Complete
		E-3.2-C:-NoMA Demonstration Project : Pursue a pilot project to apply green building guidelines and development standards in the North-of-Massachusetts Avenue (NoMA) area. If the program is successful, expand its application to other parts of the city where large-scale development is expected during the next 20 years.	 Complete
		ED-1.3-A:-Knowledge Cluster Action Strategy : Conduct a more detailed assessment of the knowledge cluster in the District. Such a study should be guided by a Task Force that represents economic development organizations, private industry, residents, and research institutions. It should include a review of national best practices, as well as actions to promote the development of research-driven and creative firms in the District.	 Complete

		FNS-2.5-B:-Marshall Heights Zoning Study : Conduct a zoning study of the Marshall Heights and Benning Ridge neighborhoods to ensure that areas that are predominantly single family in character areas are appropriately zoned. Presently, much of this area is zoned for multi-family housing, despite the fact that one and two-family homes are prevalent. ZONING-RELATED	 Complete
		FSS-1.1-A:-R-5-A Zoning : Evaluate the continued appropriateness of the R-5-A zoning that occurs throughout the Far Southeast / Southwest Planning Area. Currently, this zoning applies to many row house, duplex, and single family areas within the community. Rezoning should be considered to better match existing character, and to ensure that future infill development is compatible. The use of R-5-A and other, more dense multi-family zones should continue in areas where multi-family development exists or is desirable in the future. ZONING-RELATED	 Complete
		FSS-2.4-A:-Congress Heights Small Area Plan : Prepare a Small Area Plan for the Congress Heights Metrorail Station and the surrounding Congress Heights neighborhood.	 Cancelled
		H-1.1-A:-Rezoning of Marginal Commercial Land : Perform an evaluation of commercially zoned land in the District, focusing on the "Great Streets" corridors, other arterial streets, and scattered small commercially-zoned pockets of land which no longer contain active commercial land uses. PRIORITY, ZONING-RELATED	 Complete
		H-1.2-B:-Commercial Linkage Assessment : Prepare an assessment of the District's existing commercial linkage requirements to determine the effectiveness of this program and assess its impacts, advantages, and disadvantages. Based on findings, adjust the linkage requirements as needed.	 Complete
		H-1.3-A:-Review Residential Zoning Regulations : During the revision of the city's zoning regulations, review the residential zoning regulations, particularly the R-4 (row house) zone. Make necessary changes to preserve row houses as single-family units to conserve the city's inventory of housing for larger households. As noted in the Land Use Element, this should include creating an R-4-A zone for one and two family row houses and another zone for multi-family row house flats. PRIORITY, ZONING-RELATED	 Complete
		H-1.5-B:-Changes to the Zoning Regulations : Explore changes which would facilitate development of accessory apartments, English basements, and single room occupancy housing units. ZONING-RELATED	 In Process

		<p>LU-1.3-B:-TOD Overlay Zone : During the forthcoming revision to the zoning regulations, develop zoning language in areas surrounding transit stations and stops. The language should include provisions for mixed land uses, minimum and maximum densities (inclusive of density bonuses), parking maximums, and buffering and design standards that reflect the presence of transit facilities. Work with land owners, the Council of the District of Columbia, local ANCs, community organizations, WMATA, and the Zoning Commission to determine the stations where such a zone should be applied. The emphasis should be on stations that have the capacity to accommodate substantial increases in ridership and the potential to become pedestrian-oriented urban villages. Neighborhoods that meet these criteria and that would welcome a TOD overlay are the highest priority.</p>	 In Process
		<p>LU-2.1-A:-Rowhouse Zoning District : Develop a new zoning district or divide the existing R-4 district into R-4-A and R-4-B to better recognize the unique nature of row house neighborhoods and conserves their architectural form (including height, mass, setbacks, and design). ZONING-RELATED</p>	 Complete
		<p>LU-2.1-B:-Amendment of Exterior Wall Definition : Amend the city's procedures for roof structure review so that the division-on-line wall or party wall of a row house or semi-detached house is treated as an exterior wall for the purposes of applying zoning regulations and height requirements. ZONING-RELATED</p>	 Complete
		<p>LU-2.1-C:-Residential Rezoning : Provide a better match between zoning and existing land uses in the city's residential areas, with a particular focus on: blocks of well-established single family and semi-detached homes that are zoned R-3 or higher; blocks that consist primarily of row houses that are zoned R-5-B or higher; or historic districts where the zoning does not match the predominant contributing properties on the block face. In all three of these instances, pursue rezoning to appropriate densities to protect the predominant architectural character and scale of the neighborhood. PRIORITY, ZONING-RELATED</p>	 In Process
		<p>LU-2.1-D:-Avoiding "Mansionization" : Consider adjustments to the District's zoning regulations to address the construction of excessively large homes that are out of context with the surrounding neighborhood ("mansionization"). ZONING-RELATED</p>	 In Process
		<p>LU-2.4-C:-Mixed Use District with Housing Emphasis : Develop a new mixed use zoning district, to be applied principally on land that is currently zoned for non-residential uses (or that is now unzoned), which limits commercial development to the ground floor of future uses and requires residential use on any upper stories. ZONING-RELATED</p>	 In Process
		<p>LU-3.1-A:-Industrial Zoning Use Changes : Provide a new zoning framework for industrial land, including: prohibiting high impact "heavy" industries in the C-M zones to reduce the possibility of land use conflicts; prohibiting certain civic uses that detract from the industrial character of C-M areas and that could ultimately interfere with business operations; Requiring special exceptions for potentially incompatible large retail uses in the C-M zone to provide more control over such uses without reducing height and bulk standards; limiting non-industrial uses in the M zone to avoid encroachment by uses which could impair existing industrial and public works activities; creating an IP (industrial park) district with use and bulk regulations that reflect prevailing activities; creating a Mixed Use district where residential, commercial, and lesser-impact PDR uses are permitted. Once these changes have been made, pursue the rezoning of selected sites in a manner consistent with the policies of the Comprehensive Plan. PRIORITY, ZONING-RELATED</p>	 Complete

		LU-1.1-C:-Development of Air Rights : Analyze the unique characteristics of the air rights development sites within the District. Determine appropriate zoning and means of measuring height for each unique site consistent with the Height Act, taking into consideration the ability to utilize zone densities, the size of the site, and the relationship of the potential development to the existing character of the surrounding areas.	 In Process
		LU-1.2-B:-Encouraging Livability of Former Federal Lands : When land is identified to shift from federal to private or local use, develop planning and zoning approaches that provide for, as appropriate, the reconstruction of historic rights-of-way and reservations, integration of the sites into the adjoining neighborhoods, and the enhancement of special characteristics or opportunities of the sites. Encourage cultural, residential, and retail to ensure mixed-use neighborhoods, even if designated as high-density commercial on the District of Columbia Comprehensive Plan Future Land Use Map; coordinate with the National Capital Planning Commission, as appropriate.	 In Process
		RCE-2.3-C:-Walter Reed Small Area Planning and Zoning : As the Walter Reed property progresses through the BRAC process, the District and an implementation LRA should take a proactive approach to connect the site with the community, accelerate the timeline for reuse, and mitigate potential development risks. Steps to achieve this goal include: (a) Undertaking a small area planning process to determine land use designations and zoning; (b) Working with the Army to establish interim uses and activity on the site; (c) Actively marketing the site to potential tenants and developers; (d) Identifying an appropriate public-private financing plan that includes a mix of local and federal incentives and grants; and (e) Establishing appropriate standards for environmental remediation and site-wide sustainability. 		HP-3.3-B:-Historic Preservation in Schools : Work with both public and private schools to develop and implement programs to educate District students on the full range of historic, architectural, and archaeological resources in Washington. Use education to promote the value of historic preservation as a community activity.	 In Process
after 2011			
		CH-1.2-B:-Capitol Hill Design Guidelines : Develop graphic design guidelines for the Capitol Hill Historic District, illustrating appropriate architectural design features for new construction, renovation, and alterations.	 No Action
		HP-2.1-D:-Protecting Public Space in Historic Districts : Develop guidelines for government agencies and utilities so that public space in historic districts is designed and maintained as a significant and complementary attribute of the district. These guidelines should ensure that such spaces are quickly and accurately restored after invasive work by utilities or the city.	 In Process
		HP-3.3-C:-Historic and Archaeological Exhibitions : Develop display exhibits for libraries, recreation centers, and other public buildings that showcase historic and archaeological resources. Recruit volunteers to assist with the interpretation of these resources.	 No Action

Office of Planning - Historic Preservation Office: 51 before 2006			
		FSS-2.1-D:-1900 Block of Martin Luther King, Jr. Avenue : Ensure that future development on this block includes rehabilitation plans for the existing structures in order to preserve their historic character.	 No Action
		HP-1.2-A:-Establishment of Survey Priorities : Give priority to the survey of endangered resources and those located in active redevelopment areas. As factors in setting survey priorities, consider the surpassing significance of some properties, the under representation of others among designated properties, and the responsibility of government to recognize its own historic properties.	 In Process
		HP-1.2-B:-Database of Building Permits : Continue the development of a computer database of information from the complete archive of 19th and 20th century District of Columbia building permits, and use this information as a foundation for survey efforts.	 In Process
		HP-1.2-D:-Survey of Existing Historic Districts : Complete comprehensive surveys of Anacostia, Capitol Hill, Cleveland Park, Georgetown, LeDroit Park, Takoma Park, and other historic districts where building-by-building information is incomplete.	 In Process
		HP-1.2-E:-Updating Surveys : Evaluate completed surveys periodically to update information and to determine whether properties that did not appear significant at the time of the original survey should be reconsidered for designation.	 No Action
		HP-1.3-A:-Nomination of Properties : Act on filed nominations without delay to respect the interests of owners and applicants, and to avoid accumulating a backlog of nominations. When appropriate, defer action on a nomination to facilitate dialogue between the applicant and owner or to promote efforts to reach consensus on the designation.	 In Process
		HP-1.3-B:-Nomination of National Register Properties : Nominate for historic landmark or historic district designation any eligible National Register properties not yet listed in the DC Inventory of Historic Sites.	 Cancelled
		HP-1.3-C:-Nomination of Federal Properties : Encourage federal agencies to nominate their eligible properties for listing in the National Register of Historic Places, and sponsor concurrent nomination of these properties to the DC Inventory of Historic Sites.	 In Process
		HP-1.3-E:-Updating Designations : Evaluate existing historic landmark designations and systematically update older designations to current professional standards of documentation. Evaluate historic district designations as appropriate to augment documentation, amend periods or areas of significance, or adjust boundaries.	 No Action
		HP-1.4-D:-Markers for Historic Landmarks : Continue with implementation of the program of consistent signage that property owners may use to identify historic properties and provide brief commemorative information.	 In Process
		HP-1.4-E:-Notice to Owners of Historic Property : Develop and implement an appropriate method of periodic notification to owners of historic property, informing them of the benefits and responsibilities of their stewardship.	 No Action

Agency	Estimated Starting Year	Action - Description	Status*
Office of Planning - Historic Preservation Office: 51 before 2006			
		HP-1.4-F:-Listings of Eligibility : Establish and maintain procedures to promote a clear understanding of where eligible historic properties may exist and how they can be protected through official designation. Reduce uncertainty for property owners, real estate developers, and the general public by maintaining readily available information on surveyed areas and properties identified as potentially eligible for designation.	 In Process
		HP-2.1-B:-Governmental Coordination : Strengthen collaborative working relationships with federal agencies involved in the stewardship of historic properties. Reinforce coordination between the Historic Preservation Office and other District agencies and establish new relationships where needed to address historic preservation concerns.	 In Process
		HP-2.2-B:-Integrate Historic Preservation in Planning Initiatives : Integrate historic preservation in the preparation and review of proposed facility master plans, small area plans, campus master plans, appropriate PUD and special exception applications, and other major development initiatives that may have an impact on historic resources.	 In Process
		HP-2.2-C:-Preservation Review of Major Plans : Include the historic preservation community in broader urban initiatives, such as those relating to housing, transportation, the environment, and public facilities.	 In Process
		HP-2.3-A:-Review of Alterations to the Historic City Plan : Ensure early consultation with the Historic Preservation Review Board and other preservation officials whenever master plans or proposed redevelopment projects envision alterations to the features of the historic city plan.	 In Process
		HP-2.3-B:-Review of Public Improvements : Ensure an appropriate level of consultation with the State Historic Preservation Officer before undertaking the design and construction of public space improvements in the L'Enfant Plan area and the public parks of the McMillan Plan.	 In Process
		HP-2.4-A:-Conceptual Design Review Process : Sustain and improve the conceptual design review process as the most effective and most widely used means to promote good preservation and compatible design. Support the utility of this process by committing sufficient resources and appointing highly qualified professionals to the Historic Preservation Review Board.	 In Process
		HP-2.4-C:-Zone Map Amendments in Historic Districts : Identify areas within historic districts that may be "overzoned" based on the scale and height of contributing buildings, and pursue rezoning of such areas with more appropriate designations. PRIORITY	 In Process
		HP-2.5-A:-Protecting Historic Landscapes : Promote the protection of historic landscapes through documentation, specific recognition in official designations, and public education materials. Work cooperatively with federal agencies and private landowners to promote the preservation of historic landscapes as integral components of historic landmarks and districts, and to ensure that new construction is compatible with the setting of historic properties. PRIORITY	 In Process

Office of Planning - Historic Preservation Office: 51 before 2006			
		HP-2.5-B:-Protecting the Natural Escarpment : Protect views of and from the natural escarpment around central Washington by working with District and federal land-holders and review agencies to accommodate reasonable demands for new development on major historic campuses like Saint Elizabeths Hospital, the Armed Forces Retirement Home, and McMillan Reservoir in a manner that harmonizes with the natural topography and preserves important vistas over the city.	 In Process
		HP-2.6-B:-Archaeological Surveys and Inventories : Increase efforts to identify and protect significant archeological resources.	 In Process
		HP-2.6-C:-Archaeological Site Reports : Require prompt completion of site reports that document archaeological findings after investigations are undertaken. Maintain a central archive of these reports and increase efforts to disseminate their findings and conclusions.	 In Process
		HP-2.7-A:-Preservation Enforcement : Improve enforcement of preservation laws through a sustained program of inspections, imposition or appropriate sanction, and expeditious adjudication. PRIORITY	 In Process
		HP-2.7-B:-Accountability for Violations : Hold both property owners and contractors accountable for violations of historic preservation laws or regulations, and ensure that outstanding violations are corrected before issuing permits for additional work.	 In Process
		HP-3.1-A:-DC Preservation Incentives : Implement and promote the District's new targeted homeowner incentive program through an active program of outreach and public information. Monitor and evaluate the program to assess its effectiveness and to guide the development of other appropriate incentives and assistance programs.	 In Process
		HP-3.2-A:-Historic Neighborhood Revitalization : Implement preservation development strategies through increased use of proven programs and initiatives sponsored by preservation leaders like the National Trust for Historic Preservation, National Park Service, and others. Make full use of the programs available through the National Main Street Center, Preservation Services Fund, Preserve America, Save America's Treasures, and other programs designed for the recognition of diverse cultural heritage and the preservation and promotion of historic landmarks and districts.	 No Action
		HP-3.3-A:-Preservation Outreach and Education : Sustain an active program of outreach to the District's neighborhoods. Develop educational materials on the cultural and social history of District communities as a means to engage residents and introduce historic preservation values and goals. Promote public understanding of not just the principles for preserving properties but also the social and community benefits of historic preservation.	 In Process
		HP-3.3-D:-Heritage Tourism : Identify heritage tourism opportunities and strategies that integrate District programs with those of organizations like Cultural Tourism DC, the DC Convention and Visitors Bureau, and others oriented to visitors. Use these programs to promote and enhance the integrity and authenticity of historic resources.	 In Process
