Map Approval Resolution of 2021 (R24-0292).

Status of this Map

The Generalized Policy Map and Future Land Use Map are intended to provide generalized guidance for development and land-use decision-making. This map is periodically updated in response to the changing needs of the city. Requests to amend the maps can be made in writing, including draft text, diagrams, and supporting data. All changes require formal public hearings before the Council of the District of Columbia, and people interested in formal public input. The purpose of the Comprehensive Plan is to provide a framework for development and land use that is periodically updated in response to the changing needs of the city. Requests to amend the maps can be made in writing, including draft text, diagrams, and supporting data. All changes require formal public hearings before the Council of the District of Columbia, and people interested in formal public input.

District of Columbia Comprehensive Plan

Generalized Policy Map

Purpose

This version of the Generalized Policy Map was digitally compiled from the Comprehensive Plan Future Land Use Map and Generalized Policy Map Approval Resolution of 2021 (R24-0292).

Status of this Map

The Generalized Policy Map and Future Land Use Map are intended to provide generalized guidance for development and land-use decision-making. This map is periodically updated in response to the changing needs of the city.

Guidelines for Using this Map

The Generalized Policy Map and Future Land Use Map are intended to provide generalized guidance for development and land-use decision-making. This map is periodically updated in response to the changing needs of the city. Requests to amend the maps can be made in writing, including draft text, diagrams, and supporting data. All changes require formal public hearings before the Council of the District of Columbia, and people interested in formal public input.

The generalized depiction shown on this map was designed to be essentially correct as printed, and it is the official edition of the map that is incorporated in the Comprehensive Plan. Users of electronic copies of this map must be aware that the accuracy of the printed map may vary due to differences in reproduction processes. Therefore, any changes occurring over time may be noted in the text accompanying the comprehensive plan.
