

BACK TO SCHOOL

August 2017

Summertime is winding down and vacations are coming to an end, signaling that back-to-school time is here. It's a time that many children eagerly anticipate – catching up with old friends and making new ones, and settling into a new daily routine. Parents and children alike scan newspapers and websites looking for sales on a multitude of school supplies and the latest clothing fads and essentials. This Back to School infographic uses data from the U.S. Census Bureau, 2015 American Community Survey (ACS) 1-year estimates and the 2015 Business Patterns.
