A New Place in Ward 8: 11th Street Recreation Bridge

Construction Photo 2-2012

View to Ward 8 Communities From Ward 6 Communities

Opportunity for a **DESTINATION** Linking River Trails and Recreation Amenities

A New Place in Ward 8: 11th Street Recreation Bridge

Construction Photo 2-2012

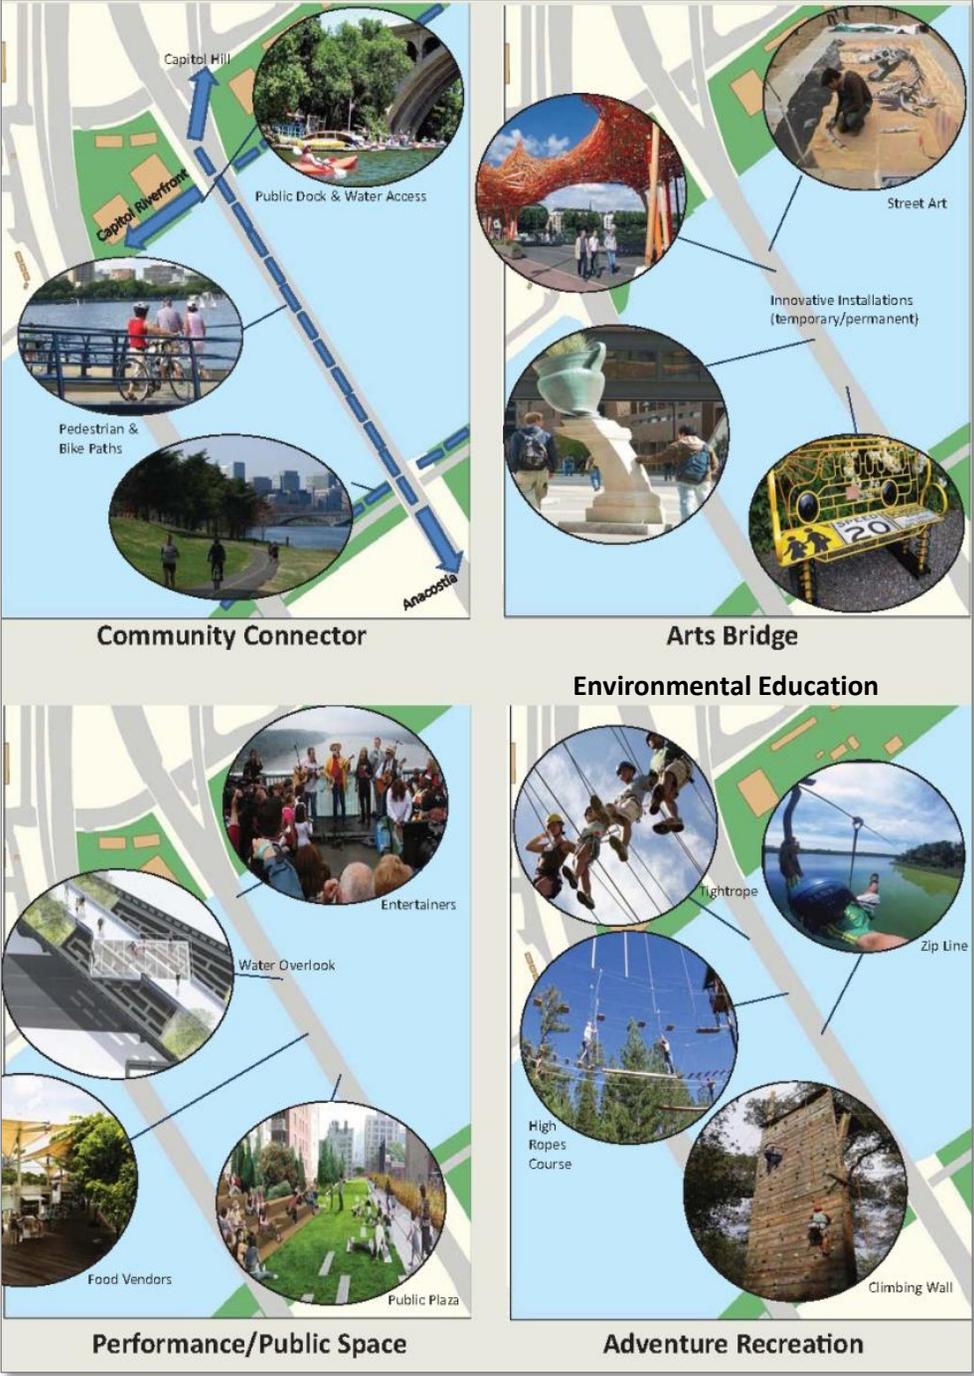

View to Capitol Riverfront and Ward 6 Communities From Ward 8 Communities

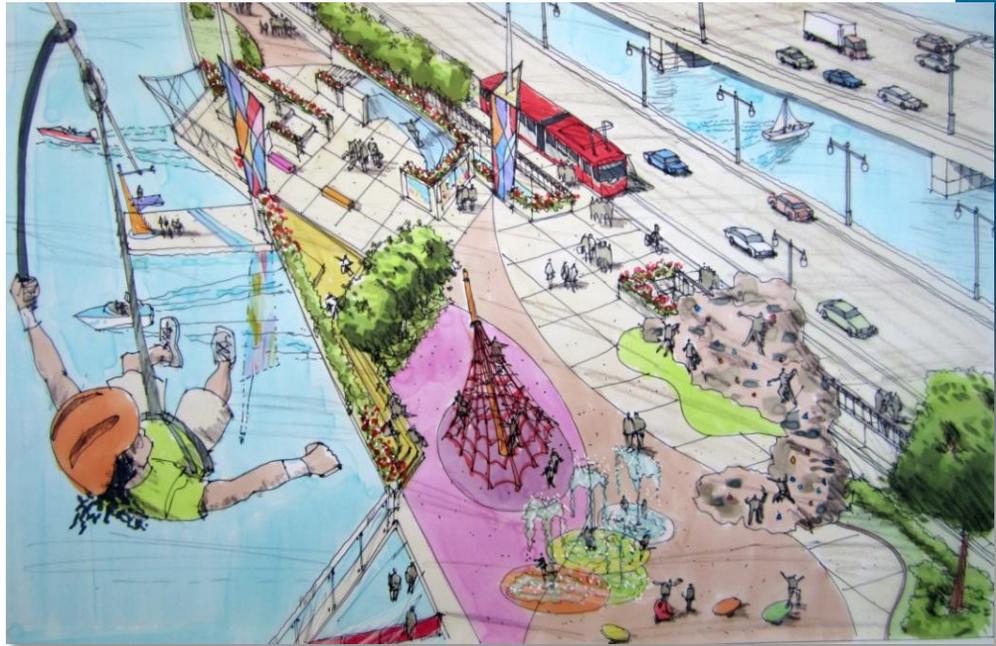

Opportunity for a **DESTINATION** Linking River Trails and Recreation Amenities

Preliminary Concepts

An opportunity to connect the city over the Anacostia River with unique recreation offerings; while also linking parks, recreation assets, and trails along both sides of the river.

A range of recreation amenities being studied, shown connected to new local vehicular bridge with sidewalk, bike lane and potential for streetcar.

Generating Ideas for a Recreation Bridge Attraction

Ideas For Active Recreation

Climbing Wall | Columbus, OH

Ropes Course | National Harbor, MD

Pole Vaulting School | Washington, DC

Shaw Skate Park | Washington, DC

Zip Lines | Savage, MD

Kayak Rental | Washington, DC

Ideas For Passive Recreation

Outdoor Concerts | Walkway Over the Hudson

Food Carts | Portland, Oregon

Fishing | Columbia, Missouri

Horseshoe Courts | Meridian Settlers Park , Idaho

Chess Tables | Washington Square Park, NYC

Ideas For Environmental Education:

A Place to Feature

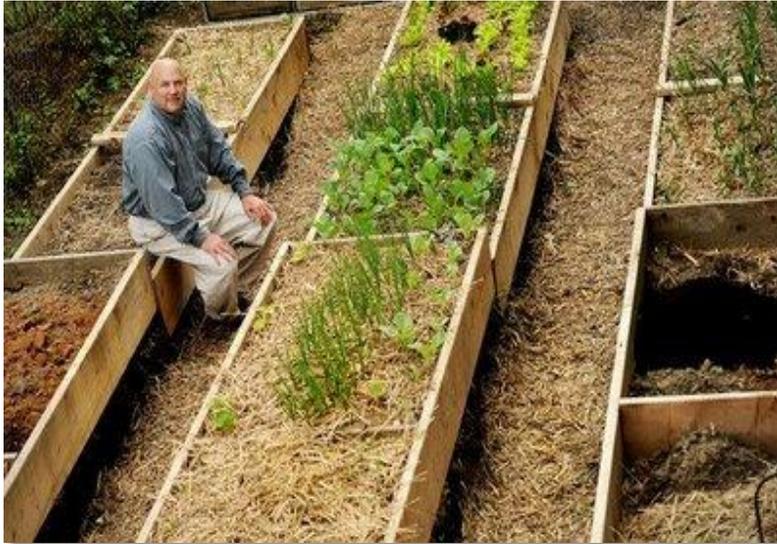

Farmer's Market | Dupont Circle, Washington DC

Rain Gardens | Mt. Tabor M.S., Portland, OR

Outdoor Classrooms | University of Richmond, VA

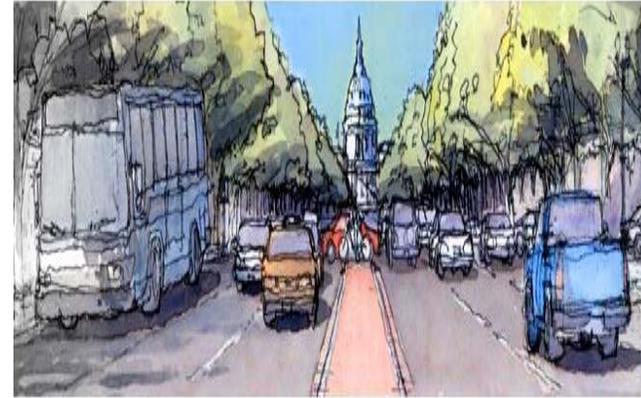

Demonstration Gardens | Baltimore, MD

A Range of Ward 6 Initiatives

- South Capitol Street Corridor Project - *Financial Plan Mid-2012*
- The Yards - *Late 2012*
- Canal Park - *2012 Completion*
- Barney Circle- Southeast Boulevard - *Begin EA Fall 2012*
- M Street SE/SW Transportation Study - *Final Report Fall 2012*
- Pennsylvania and Potomac Avenue Project - *Planned Restart of Environmental-Assessment Summer 2012*
- Northwest One Phase 1 M Street NE- *Completion March 31, 2013*
- 1100 block of H Street NE- *Developer Selected*
- 3rd and H Streets NE- *Completion by 2013*
- Anacostia River Walk Trails - *Completion 2015*
- Center Leg Freeway Mixed-Use Development - *Ongoing*

South Capitol Street | Submit Financial Plan Mid-2012

Anacostia Riverwalk Trails | Completion 2015

3rd and H Street Mixed Use Project. Completion 2013

A Place in History: Neighborhood and Navy Yard

11th Street Bridge and vicinity | 1942

Along the Navy Yard Warf | 1940's

11th Street Bridge and vicinity | 1960

Barney Circle 1960's, This was one of neighborhoods where many Navy Yard Works resided.

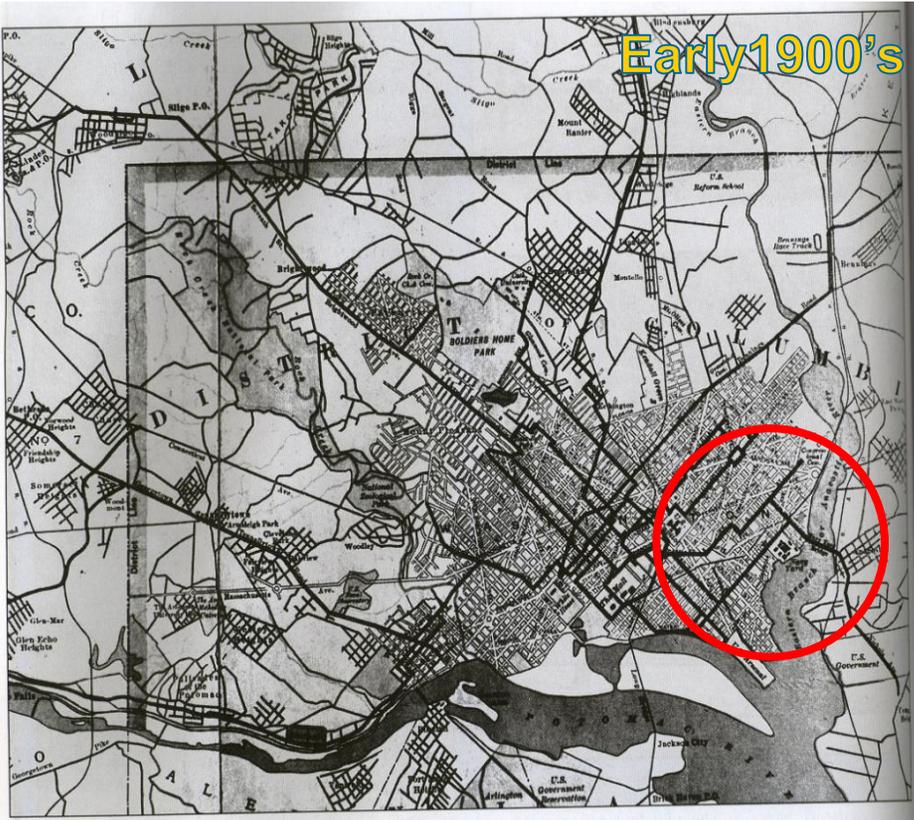

A Place in History: Early Connections

1898

Electric Trolley Car on Good Hope Road | 1898

Early 1900's

Electric Trolley traveling in front of the Navy Yard.

1875

Horse-drawn Trolley | 1875

1950's

Electric Trolley Car Route | Early 1900's

A Place in History: Even Earlier Connections

1848

11th Street Bridge (Anacostia Bridge) | Built in 1848

1908

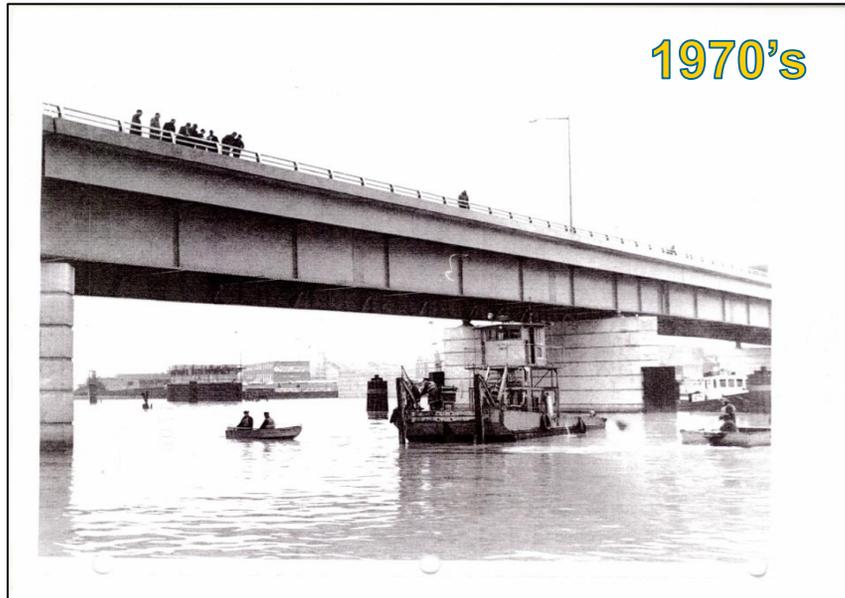

Steel Arch Bridge built to replace iron truss bridge | 1908

1874

11th Street Bridge | Built 1874

1970's

1960's era bridge in use. Navy Yard in Background

A Place in History: Residents and the River

1839

View of the East Branch River later to become the Anacostia from Ward 6 towards the Anacostia Riverside. 1839

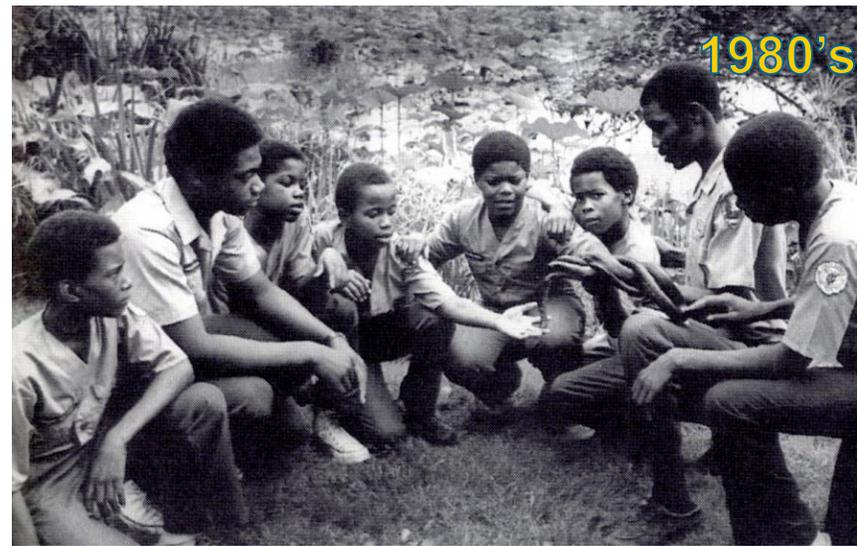

1920's

A Closer Look At The Highline

Addressing Community Health and Active Lifestyles

- More than five in ten of all adults living in the District (55%) are overweight or obese
- Five of the top ten causes of death in the District—heart disease, cancer, hypertension, diabetes and stroke—directly related to the influence of poor diet, excess weight and low levels of physical activity
- Ward 3 residents have lowest overweight & obesity rate: (43%); **Ward 7** the highest (73%); **Ward 8**: 72%
- Approximately **20%** of all D.C. **children are obese**

- Department of Homeland Security

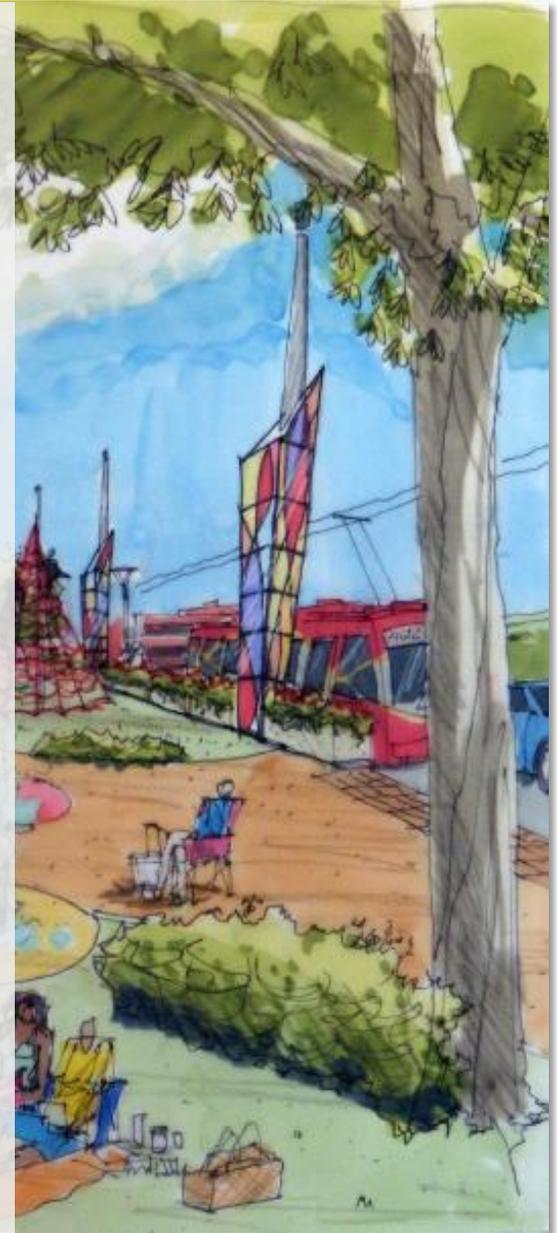

National Design Competition

COMPETITION GOALS

1. Create a **“One City” icon**, connecting the city over the Anacostia River
2. Envision a **recreation hub** that links the destinations along both sides of the river
3. Produce a **design that is exceptional**; that meets community aspirations, focuses on the environment, and is self-sustaining in terms of operations and maintenance
4. Ignite interest on a national scale to **galvanize fundraising efforts**
5. Generate **community involvement** in shaping the Recreation Bridge Project and seeing it realized

Hypothetical Timeline

DDOT/OP examine options and feasibility

**Discussion with CA
Ward 8 Summit July 2011**

**SYEP Group
“detailed” to bridge assignment**

Community Engagement
