

2022 District of Columbia Awards for Excellence in Historic Preservation

November 1, 2022 | DAR Constitution Hall | 1776 D Street NW

NATIONAL ENDOWMENT
FOR THE HUMANITIES

The DC Preservation League (DCPL), founded in 1971 as “Don’t Tear It Down” to save the Old Post Office Building on Pennsylvania Avenue, is a nonprofit, membership organization dedicated to preserving and protecting the District of Columbia’s historic and built environment. As the citywide advocate for historic preservation, DCPL identifies and documents historically significant buildings, landscapes and neighborhoods; monitors proposed government legislation to ensure sound preservation policies; and works to increase public awareness through education and outreach.
