Commemorative Works Committee Special Meeting

(WASHINGTON, DC) – The DC Office of Planning will convene a special meeting of the Commemorative Works Committee (“Committee”) on Thursday, June 29, 10:00 a.m. via a conference call. The Committee will review and approve the minutes from the June 15 meeting when it considered a commemorative work application to erect a bronze statue of the Honorable Marion S. Barry Jr. The commemorative work application has been submitted by the DC Commission on the Arts and Humanities.

The Committee is established by the *DC Commemorative Works on Public Space Amendment Act of 2000* to advise and recommend to the Mayor and the Council a disposition of each application to place a commemorative work on public space in the District of Columbia. There are 12 members on the Committee including nine government agencies and three citizen members. The Committee’s review and recommendation of the Marion Barry statue is one step in the review process needed for it to become a formal commemorative work.
